

Dear Parents and Members of the Incoming Senior Class of 2017,

Senior yearbook photos are scheduled to be taken this summer beginning Friday, August 12th through Friday August 19th, in the **OCEANSIDE HIGH SCHOOL AUDITORIUM**, by appointment. Our school photographer, Lifetouch Studios, will be mailing home appointment information prior to the first day of the photo shoot. Attached to this email is the photo schedule of appointment dates and times. If you need to change your appointment, please contact the photographer directly at the number listed below. We do not control the photo schedule. Some students prefer to have their senior photos taken at the photographer's studio located in Farmingdale, near Adventureland. Studio appointments can be made by also calling the number listed below. It is imperative that all seniors be photographed this summer, either at Oceanside High School, or at the photographer's studio. Proofs will be mailed home, or be available by computer, early in September, followed by a series of retake dates which will be held at OHS the first week of November. All seniors must choose a pose that will appear in the yearbook by November 27th. The senior portrait section of the yearbook is printed by our publisher during the first week of December, and therefore, no senior photos can be added after the November 27th deadline. We do not want any senior left out of the yearbook so please be aware of these deadlines. Questions?
