Dear Parent/Guardian,

Offering students meaningful reading during summer vacation helps build a foundation for the new school year. The English Department at Oceanside High School in conjunction with the Student Projects Office is happy to announce "Reading for a Cause."

This summer every student will be encouraged to read, log in his/her pages read, and work toward earning a donation to charity. Every grade level is reading for a different worthwhile organization. The grade-level with the most pages read this summer will have a donation to the selected charity made in the grade's "name." The individual student with the most pages read will win a Kindle Paperwhite.

Please check out our new website at: <http://summerreadingohs.weebly.com/> There you will find more specific information about this exciting new program.

Thank you in advance for your support. We hope that all of our students will spend some time this summer discovering a beloved new character or meeting a favorite new author!

Sincerely,

A handwritten signature in black ink, appearing to be "B. Ziropiannis", written over a horizontal line.
