CALL TO ORDER

PLEDGE OF ALLEGIANCE – Recited by Samantha Girschick, School #7 student.

SCHOOL BOARDS RECOGNITION WEEK - Dr. Harrington advised that New York State has selected the week of October 24th to be set aside to recognize school boards and this evening we are honoring the Oceanside Board of Education for their tremendous commitment to our District. The meeting was turned over to Mrs. Wendy Swords, PTA Council President and Patricia Abela, Council member. Mrs. Swords thanked the Board for their dedication, knowledge and loyalty to the students, staff and parents of the Oceanside School District. Mrs. Swords was joined by PTA representatives from each school and stated that the Board of Education is the education leader of our district and they determine policies for the school system. They attend workshops, conferences, school activities and devote a great deal of their time to our students. This year PTA presented the Board with a beautiful banner displaying the "Anchored Together" logo which will be proudly draped from the Board of Education dais at Board meetings.

Dr. Harrington turned the meeting over to Mr. Robert Brase who stated that in an effort to express gratitude to the Board of Education, our High School Thespian Troupe will present a song and dance performance from "*42nd Street*." The students provided a wonderful performance which ended with a standing ovation.

Mrs. Garrity thanked the students for their incredible performance. She also thanked Mrs. Swords on behalf of PTA Council for her kind words and for the beautiful banner.

APPROVAL OF MINUTES – A motion was made by Mr. Maresca to accept the minutes of the September 14, 2016 Regular Board of Education Meeting and the September 21, 2016 Special Board of Education Meeting for file.

APPROVAL OF FINANCIAL REPORT – A motion was made by Mr. Transom and seconded by Mrs. Schoell to accept the Treasurer's Report, the Transfer of Funds Report and the Internal Claims Audit Review of Warrants for file.

ITEMS FOR INFORMATION

Report from the School District Auditors – As the District external auditor was delayed at another meeting, Mrs. Garrity and Mr. Transom reported that the internal, external and risk assessment audit reports were stellar this year. The District is financially sound. Later in the evening, Alexandria Battaglia, CPA, managing partner of R.S. Abrams & Company, arrived and reported on her findings for the school year ending June 30, 2016 (attached to the records of this meeting). She advised that she met with the Audit Committee to discuss the details of the district-wide financial statements. She advised that the District is now fully accrued for TRS. She advised that a discussion took place about a long term plan to fund our reserves which are at the 4% level. Ms. Battaglia reported that our internal controls are very good and our financial ratings are high. She stated that Oceanside School District is one of only three districts on Long Island to receive an audit report with no recommendations.

Ms. Battaglia thanked Mr. Van Cott, Ms. Green and the entire Accounting Department for their cooperation in developing this report.

Board Policies – Second Presentation – Mrs. McGrath-Mulhern provided the second presentation of the Board of Education policies (as attached to the records of this meeting). She explained that they were presented at the September 14th Board meeting for the first time. She asked for questions from the audience and there were none.

Construction Report – Mr. Van Cott presented the report as submitted. Dr. Harrington reported on the background of the District's testing of all water fountains and faucets within school district buildings. She explained that last spring the District began testing voluntarily when reports from elsewhere in the country brought the issue of water testing to light. The testing was discussed at Board of Education meetings, various newspapers carried the reports and the District posted updated reports on the District website as a first item. Dr. Harrington explained that the District is very transparent and will continue to keep the community informed about the status of lead testing results, particularly at school buildings that are still awaiting results. Currently, we are awaiting final reports (many districts that are also testing at this time are using the same consultants and labs throughout Long Island). There is some backlog in getting results back; however the feedback that we have received thus far is that our water supply is safe.

Mrs. Schoell inquired about funding from the State for this water testing. Dr. Harrington stated that it has been reported that the State would provide some form of building aid. Much of our internal staff performed the work and we have spent \$17,800 thus far.

Mr. Van Cott reported that the Board of Education will be approving the final SMART Schools Investment Plan and it will now be submitted to SED for their review and approval. It was preliminarily approved at the August 30th Board meeting. SMART Bond funds will be used to install wireless connectivity in our elementary schools and Castleton High School.

Superintendent's Reports

Professional Development and Overnight Field Trips – As Submitted

Tenure Recommendations – Dr. Harrington welcomed four administrators to the podium who were being recommended to the Board of Education for tenure this evening. She highlighted the background of each individual. The administrators are: Keith Mekeel, Associate Principal of OHS, Joelle Mazun, Associate Principal of OHS, Diana DeGiorgio, Coordinator of Elementary Special Education, and Debra Kienke, Executive Director of Special Education. The Board of Education and Dr. Harrington congratulated the administrators who were receiving tenure this evening.
