OPPORTUNITY FOR THE SUPERINTENDENT – Dr. Harrington spoke about school safety and security and what the District is currently doing and what we will be doing. She reported that Oceanside School District has strong safety systems in place which we continually review and improve. Dr. Harrington highlighted some of the key safety procedures we have in place, such as school buildings being in a state of lockout and visitors are not permitted to enter a building during the school day, surveillance cameras, regular drills that are practiced throughout the year, partnership with the Nassau County Police Department, District-wide safety team meetings and schools safety plans. Dr. Harrington spoke about moving forward with advocating for mental health because being preventative is uppermost on our minds.

Dr. Harrington spoke about staff members who will be retiring at the end of the school year. She reported that we are in the process of interviewing for an elementary principal position and science K-12 director. She was happy to announce that we have some fine candidates in the pool.

Dr. Harrington spoke about Parent University to be held on March 10th at OMS. Three hundred people signed up for this exciting community event.

OPPORTUNITY FOR THE BOARD OF EDUCATION

Mrs. Schoell reminded everyone about the Dawn Delirium Fashion Show to be held on Thursday, March 1st. This event is a major fundraiser and the tickets are \$15 at the door. She expressed her thanks to the High School principal, directors and custodial staff for their hard work in making this event a great success.

Mr. Maresca reminded everyone about Sports Night being held on Saturday, March 3rd at OHS.

Mrs. Garrity announced her retirement from the Board Education. She said it was a privilege and honor to represent the Oceanside School District for 21 years.

RE: Monthly Construction Report for March 21, 2018 Board of Education Meeting

BOND PHASE IV UPDATE – SUMMER 2017

Please see attached updated listing of all projects completed this summer or in progress.

BOND PHASE V UPDATE – SUMMER 2018

Planning is ongoing for final phase of the \$30m construction plan. Schools 4 and 9 will be closed all or in part in order for the projects to take place – OMS & 9E: floor tile replacement, roof reconstruction, renovated locker rooms, asphalt repairs and auditorium air conditioning. School 4: floor tile replacement, stair treads and new window-wall casework.

As discussed, due to SED approval delays and subsequent price escalation, an additional not-to-exceed appropriation of \$750,000 will be necessary to perform site work at School 9. With voter approval on May 15, needed funds can be allocated from the existing 2017-18 operating budget at no additional cost to the taxpayer to complete parking lot renovations and related fencing replacement.

DISTRICT-WIDE WATER TESTING

All schools have been tested and specified faucets were replaced. Outlets requiring the installation of filters are now complete and the District is in the process scheduling testing from its third party environmental consultant. All results will be posted on the District's website.

SMART BOND

The District's Smart Schools application is still being reviewed by SED. I will keep you apprised of their pending decision and next steps.

EARLY CHILDHOOD LEARNING LAB UPDATE

With assistance from Senator Kaminsky, DASNY has awarded a \$250k grant to the District for the creation of an *Early Childhood Learning Lab* at School 6. Construction is moving along on schedule and on budget. A ribbon-cutting ceremony is being targeted for May 4th!

FEMA-FUNDED MAINTENANCE/STORAGE FACILITY

The general contractor has completed the foundation and both the electrician and plumber are finished with their underground work. The metal building has been delivered to the site and will be constructed over the next 6 to 8 weeks. The estimated completion date for the entire project is scheduled to be on or before August 31, 2018.

PROFESSIONAL STAFF DEVELOPMENT & OVERNIGHT STUDENT FIELD TRIPS

APPROVED BY THE SUPERINTENDENT

Presented: Board of Education meeting
March 21, 2018

The Oceanside School District is committed to the concept of staff development. One aspect of this is the participation and involvement of staff in the conferences of professional organizations, visitations to other school districts and attendance at learning institutes, workshops sponsored by the New York State Education department and special programs offered by Universities.

Each year a specific travel budget is approved for this aspect of staff development. The attached listing identifies the staff that participated in this program, the nature of their involvement and the costs to the district.

This Agreement made this 21st day of March, 2018 by, between and among the Nassau Board of Cooperative Educational Services ("BOCES") and the following school district: Oceanside UFSD (hereinafter collectively referred to as the "Participating School Districts and individually referred to as a "Participating School District").

RECITALS

WHEREAS, the Participating School Districts are required to provide transportation to their respective students;

WHEREAS, such pupil transportation is provided by each Participating School District at its individual cost and expense;

WHEREAS, the Participating School Districts, together with BOCES, have determined that it would be in their best financial interests to procure pupil transportation services on a cooperative basis;

WHEREAS, the Participating School Districts and BOCES desire to enter into an inter-municipal cooperative agreement pursuant to New York General Municipal Law ("GML") section 119-o for the purpose of seeking proposals for pupil transportation services on behalf of the Participating School Districts; and

WHEREAS, the Participating School Districts and BOCES are ready and willing to enter into an inter-municipal cooperation agreement for such purposes.

NOW THEREFORE, in consideration of the mutual covenants herein, the parties hereto agree as follows:

1. Pursuant to General Municipal Law section 119-o, each Participating School District and BOCES agrees to join together for the purpose of forming a Cooperative (hereinafter

referred to as the "Cooperative") for purposes of securing pupil transportation services in accordance with applicable law.

2. The Participating School Districts hereby authorize the Nassau BOCES to act as "Lead Participant" of the Cooperative for purposes of facilitating and coordinating: (1) the writing and preparation of the transportation specifications for pupil transportation services; (2) receipt of proposals; and (3) providing the place for the opening of sealed proposals.

3. The Participating School Districts and BOCES agree to cooperatively prepare, review and analyze the transportation specifications and proposal submissions received by the Cooperative for pupil transportation services.

4. Each Participating School District/BOCES shall separately advertise the bid/request for proposal in the official newspaper(s) of the School District. In the event that any Participating School District/BOCES shares the same official newspaper(s) with other Participating School District(s), they may collectively advertise in those official newspaper(s) in an effort to reduce the costs of advertising.

5. Each Participating School District/BOCES shall be responsible for awarding and extending the pupil transportation service contract(s) by resolution of its Board at public meetings.

6. This Agreement shall commence on September 1, 2018 and terminate on June 30, 2019 and may be renewed annually upon the adoption of a resolution by the Board of each Participating School District and the BOCES.

7. The Agreement is to be approved and executed by all Participating School Districts and BOCES and submitted immediately upon execution with the required resolution attached hereto.

8. This Agreement may not be altered, changed, added to, deleted from or modified except through the mutual written consent of the parties.

9. This Agreement may be executed in counterparts, each of which shall be deemed an original, but which together shall constitute a single instrument.

10. The undersigned representatives of the Participating School Districts and BOCES hereby represent and warrant that they have the full legal rights, power and authority to enter into this Agreement on behalf of the respective school districts and bind the same with respect to the obligations and terms contained herein. This Agreement shall not become binding until approved by each Participating School District by resolution at a duly convened public meeting.
