

Oceanside High School

SPINDRIFT YEARBOOK 2019

ohsyearbook@oceansideschools.org

Dear Parents and Members of the Class of 2019:

Attached to this email is the appointment schedule for the Senior Yearbook Portrait Photos that will be taken Wednesday October 24th, through Friday October 26th, from 2:30 pm - 8:30 pm, in the Oceanside High School Library. If you did not have your senior photos taken over the summer, you have already been scheduled for an appointment on one of these three photo days, so please check the attached schedule for your appointment day and time. A "Dress Top" or a "Tuxedo Top" and cap and gown will be provided by the photographer for these formal yearbook poses.

If you wish to have your summer photos **retaken** on one of these three days, you ***must call the photographer now to be added to the appointment schedule***. You can also call the photographer's studio and make an appointment to have your photos taken or retaken there. Lifetouch Photo Studio, 515 Smith Street Farmingdale: 631-861-2555 for appointment and customer service issues. If you need to change your appointment day or time, please call the photographer as the school does not control the appointment schedule.

Once you have had your photos taken, and you receive your proof instructions in the mail, you must go online and **choose a pose** for the yearbook. **You can only choose a pose with a dark blue background.** If you don't choose, the photographer will pick the photo that will go in the yearbook for you, and once that selection is made, it cannot be changed. The deadline for choosing your yearbook pose is **December 1, 2018.**

Please note: Our yearbook is printed in sixteen page sections throughout the year by our publisher, and all of these sections are bound to the cover in early May to create our yearbook. After December 1st 2018, the Senior Photo section of the yearbook will be printed by our publisher. This means that after December 1st, no additional senior portrait photos can be added to the yearbook nor can any student's pose be changed. Please be sure that your senior has been photographed to insure that they are not left out of the yearbook.
