

(REVISED FEBRUARY 2016)

- All students in grade 3 will participate in the InView assessment during the first two weeks of February. Students who achieve an above-average score will be considered for entrance into the Project Extra program.
- For those students who have met the above criteria, the Gifted and Talented Evaluation Scale, 2nd Edition (G.A.T.E.S.) will be completed.
- The grade 3 students who achieve the highest ratings, based on a 65% weight of the InView and a 35% weight of the G.A.T.E.S., will be invited to participate in the Project Extra program. All other students, including students who did not achieve an above-average score on the InView assessment, will receive enriched instruction through our Project Extra in the Classroom program in grades 4, 5 and 6.
- Students in grades 4 and 5 who are recommended by their classroom teacher for consideration for entrance into the Project Extra program will be considered based upon the above criteria, as well as available space in the program.
