

JANUARY 2018
HONORS CEREMONY

It is our pleasure to welcome parents, students, staff and members of the community to the Honors Ceremony portion of our Board of Education meeting.

We ask our honorees to come to the stage when you hear your name. When all of the honorees in a group have been recognized, we will ask you to remain on stage for a photo. You may then return to your seats.

When everyone has been recognized, we will invite everyone to join us for a brief recess while we enjoy some refreshments.

COMMUNITY SERVICE

It gives us great pride to recognize Dennis Lynch of School #3 who along with his fellow students initiated a fundraiser called Lara's Looms, in which students created woven bracelets that they used to raise funds for an injured former School #3 student. To see such compassion and initiative in our youngest students is a wonderful testament to our school community and its families.

Dennis' teacher is Stacey Stark.
