Information was provided from the Department of Fine & Performing Arts (Advanced Theater Production 2), Department of Physical Education and Health (Redefining Mental Health), Mathematics Department (Math In Society), Family & Consumer Sciences (Bakeshop), Science Department (Rockets & Roller Coaster and; Natural Disasters), Technology Department (Mechanical Drawing), Social Studies Department (News, Media & Reality and Riots, Rebellions & Revolutions), AP Capstone, Business Department (Money and Investments) as well as College Level Course Offerings. There will be an Electives Fair on January 9, 2020. The updated Course Catalog is digitally enhanced with hyperlinks for more information about specific courses.

RE: Monthly Facilities Report for January 22, 2020 Board of Education Meeting

2020 VISUAL INSPECTION ASSIGNMENT

- As per NYSED Office of Facilities Planning, Oceanside UFSD is slated for 2020 – 2021 to conduct a Visual Inspection, which is a regulated inspection of District facilities before the District's Building Condition Survey (BCS) is performed. This inspection will provide a facility assessment from a fire safety perspective of all occupied structures, and is reported to NYSED prior to the Building Condition Survey being conducted.

2021-2022 BUILDING CONDITION SURVEY (BCS)

- As per NYSED Office of Facilities Planning, Oceanside UFSD is slated for 2021 – 2022 to complete the Building Condition Survey (BCS), which is a comprehensive internal and external facility needs assessment of all occupied school buildings. The BCS is often used as guidance how districts formulate the five-year capital plan. The BCS will be conducted every five (5) years thereafter. A portion of this cost can be reimbursed through State Aid.

NEW HS SOFTBALL DUGOUTS

- On January 7, 2020, a meeting was held regarding the current condition of the HS softball dugouts and spectator area. A walkthrough followed and there is planning underway to upgrade the HS softball dugout along with new risers for spectators. Anticipated completion

The Oceanside School District is committed to the concept of staff development. One aspect of this is the participation and involvement of staff in the conferences of professional organizations, visitations to other school districts and attendance at learning institutes, workshops sponsored by the New York State Education department and special programs offered by Universities.

Each year a specific travel budget is approved for this aspect of staff development. The attached listing identifies the staff that participated in this program, the nature of their involvement and the costs to the district.
