The Oceanside School District is committed to the concept of staff development. One aspect of this is the participation and involvement of staff in the conferences of professional organizations, visitations to other school districts and attendance at learning institutes, workshops sponsored by the New York State Education department and special programs offered by Universities.

Each year a specific travel budget is approved for this aspect of staff development. The attached listing identifies the staff that participated in this program, the nature of their involvement and the costs to the district.
