In Attendance: President Schoell, Vice President McGrath-Mulhern, Mr. Blau, Mr. D'Ambrosio, Mr. Kaplan, Mr. Maresca and Mr. Transom. Also in attendance were Superintendent Harrington and Assistant Superintendents Cokley, DeRosa and Provvido and District Clerk Barbella.

CALL TO ORDER

PLEDGE OF ALLEGIANCE – The Pledge of Allegiance was recited by Mrs. Schoell, Board President. She asked for a moment of silence for those who are ill, health care workers and our first responders who are putting their lives on the line every day.

APPROVAL OF MINUTES – The minutes of the Regular Meeting/Budget Workshop #1 of February 5, 2020 and Budget Workshop #2 of March 4, 2020 were accepted and filed as submitted. The Board Meeting of March 18, 2020 was cancelled.

FINANCIAL REPORT – The Treasurer's Report, the Transfer of Funds Report and the Internal Claims Audit Review of Warrants were accepted and filed for audit.

ITEMS FOR INFORMATION

School Closure Update – Dr. Harrington's discussion focused on the decision made by Governor Cuomo relative to the 180 day requirement. She will send an explanation of that requirement to our faculty and staff as well as members of our community. Dr. Harrington explained that the district is required to do three things:

- Delivery of free or reduced meals to those families in need.
- Child care (through SCOPE) for essential workers.
- Continuity of instruction. We are directed to have a continuity of instruction during this period as well as during spring break. This directive is not negotiable.

April 15th is still the current date that we will remain closed under the Governor's directive.

Dr. Harrington gave a special shout-out to our teachers and administrators for doing a wonderful job. We have received much positive feedback.

Dr. Harrington explained that the grading policy is an issue and is being worked on. Information will be coming shortly regarding grading.

With regard to graduation, prom and Dawn Delirium – we hope it can continue, but still remains to be seen. As time goes on, we will have back-up plans.

There has been increased concern about students still congregating on the fields at the High School and other schools. Dr. Harrington explained that some fields are almost impossible to close. The Board does not feel it is necessary to take any further action at this time.

There has been no directive about the Regents. Mrs. Schoell said the Board of Regents is meeting next Monday.

The District website will be in synch with the dates of Governor Cuomo's directive.

Budget – Mr. Cokley and Ms. Kahan are close to finalizing it. Dr. Harrington reported that we are losing about \$900,000 in State Aid. We are confident that we will be able to tighten the budget. We have a number of retirements which is helping with the budget.

Budget Vote/Elections is tentatively scheduled for June 1st.

Dr. Harrington asked the Board to consider the next Board Meeting to be held on Wednesday, April 22nd. The Board approved that date.

A question was raised about publishing BOE meetings.

Construction Report – As submitted.

Mr. Cokley reported that some of the proposed projects scheduled for April are deemed non-essential so they have been postponed. The Kindergarten Center façade project has ceased.

Dr. Harrington reported that the Board Building Committee will be meeting with ECG on April 8th to discuss an energy performance contract.

Superintendent's Reports

- Enrollment – As submitted
- Professional Staff Development & Overnight Student Field Trips – As submitted.

Dr. Harrington announced the retirement of Mrs. DeCarlo who has been a wonderful leader at the High School. She also announced the retirements of several music teachers, as well as Angela Abend, who has been a gift to the District. Mr. Bullis has decided to take a position closer to his home and has done a fabulous job as principal of School #5.

PROFESSIONAL STAFF DEVELOPMENT & OVERNIGHT STUDENT FIELD TRIPS

APPROVED BY THE SUPERINTENDENT

Presented: Board of Education meeting
April 22, 2020

The Oceanside School District is committed to the concept of staff development. One aspect of this is the participation and involvement of staff in the conferences of professional organizations, visitations to other school districts and attendance at learning institutes, workshops sponsored by the New York State Education department and special programs offered by Universities.

Each year a specific travel budget is approved for this aspect of staff development. The attached listing identifies the staff that participated in this program, the nature of their involvement and the costs to the district.
