## **ITEMS FOR INFORMATION**

### Budget Workshop #3 – Staffing, Revenue, Tax Levy Limit, State Aid

Dr. Harrington stated that Mr. Cokley would be presenting specific budget pages to the community this evening. The Board would have an opportunity to ask questions on each page. The community had an opportunity to ask questions in advance of the meeting.

Mr. Cokley explained that tonight's PowerPoint presentation would cover projected elementary sections, proposed staffing needs, revenue sources, proposed 2020-2021 tax levy, review preliminary 2020-2021 figures and upcoming important dates (attached to the records of this meeting). Dr. DeRosa spoke about the projection of elementary sections. Dr. Harrington spoke about proposed staffing needs in the 2020-21 budget and the retirements of Project Extra-Gifted & Talented teacher, STEM and Makerspace facilitator and elementary music teachers. She emphasized that the General Music Program will continue to be as strong as it is now. Mrs. Provvido spoke about a structural shift in the Project Extra/Enrichment/Wellness Program. Mrs. Provvido emphasized that the Project Extra Program and selection process will continue. She also spoke about the new mandates – full implementation of Next Generation Science standards, Mental Health full implementation and the introduction of Computer Science and Coding program. There will be increased opportunities for enrichment across all grades. Each Project Extra/Enrichment teacher will have a dedicated classroom to be located in the Learning Labs in every building.

Mr. Cokley reported that the preliminary 2020-21 budget is \$160,876,409 which is a 2.32% increase over the 2020-21 budget. The tax levy increase is 3.30% which is under the Tax Cap (the maximum allowable tax levy limit is 3.43%). We are seeking Board approval tonight to adopt the operating budget of \$160,876,409 and approve the resolution to include a proposed Capital Reserve Proposition on the May ballot.

Mr. Cokley reported that based on updated State Aid runs, we anticipate loss of revenue due to Pandemic Adjustment. Oceanside's reduction in State Aid is approximately \$369,000, but there could be additional cuts.

Mr. Cokley spoke about the Capital Reserve Project proposal for the OHS science labs. The proposition on the ballot includes Phase 1 at a cost of \$3.4 million. There is no cost to the taxpayer. The Board is asked to authorize the District to withdraw from our capital reserve fund balance. This fund can only be used in this way. This project is eligible for building aid up to 45% of the total cost.

Inquiries were made by Board members and community members on various budget issues and responses were provided.

The next Regular Board of Education Meeting was scheduled for May 6, 2020. Since we do not have a date for the Budget Vote and Trustee Election, the date of the Budget Hearing will need to be changed.

Mrs. Schoell expressed her thanks to Mr. Cokley and his team for this fiscally sound budget which respects our taxpayers.

#### Update on School Closure

May 15<sup>th</sup> is still the current date that we will remain closed under the Governor's directive.

Dr. Harrington reminded the community to participate in Facebook Live Q&A to be held on Thursday at 7:00 p.m.

The Board, Central Administration and High School administration will meet remotely on Wednesday, April 29, with the senior class officers to discuss ideas about spring events

Dr. Harrington gave a special shout-out to our teachers, administrators, parents and students for doing a wonderful job.

Dr. Harrington explained that the grading policy is an issue and is being worked on. Information will be coming shortly regarding grading.

#### Superintendent's Reports

- Enrollment – As submitted

**FROM:** Jerel Cokley  
**RE:** Monthly Facilities Report for May 27, 2020 Board of Education Meeting

**COVER OUR KIDS CAMPAIGN (DONATION)**

- One of our vendors, RENU, has graciously offered to support Oceanside Schools in their *Cover Our Kids* campaign. Our Director of Facilities, Mr. Robert Schloth, jumped at such a wonderful opportunity. This is a program that supplies masks to school districts to distribute to any students that come to receive grab and go meals. As you know, our Food Services has worked non-stop since the pandemic outbreak in providing meals to our students, and we will now be able to provide masks to Oceanside students who receive meals. This donation is slated for Board of Education acceptance at the next meeting.

**2019 – 2020 ANNUAL FIRE SAFETY INSPECTION COMPLETED**

- The District's annual fire safety inspection has now been completed. This is a walkthrough done by our local fire inspector to check that all fire safety protocols are followed in all of our school buildings and offices. I am happy to report that we have received zero (0) non-conformances, which means we are in full compliance with our facilities in regards to fire safety. This has been uploaded and submitted to the State Education Department portal.

**DISTRICT OUTDOOR FACILITIES**

- Due to the Governor's Social Distancing order, the District has closed access to our outdoor facilities. There has been temporary fencing put up, additional signage of temporary closures to community use, and security in place to monitor. We anticipate reopening as the Governor lifts restrictions accordingly.

**ENERGY PERFORMANCE CONTRACT (EPC) UPDATE**

- As you know, we are in the early stages of engaging in an Energy Performance Contract (EPC). The Board Building Committee has participated in a couple of planning meetings and the preliminary energy assessment review. At this stage, the engineering firm is finalizing the Request for Proposal (RFP), which will be reviewed and finalized with the Board Building Committee over the next couple of weeks.

**GOVERNOR'S OFFICE OF STORM RECOVERY (GOSR) UPDATE**

- Despite the current situation we find ourselves in, the work related to our flood plank installation and the installation of a generator at the high school has been moving along. At this point, we are

waiting for the final awards of contracts. The work will begin shortly after that. According to the Project Manager, the project remains within its operating budget.

### **OCEANSIDE HS DEDICATED LOCKDOWN SERVER**

- As part of the District's Security Improvement Plan, the HS now has a dedicated lockdown server installed. This now runs on a dedicated server to minimize disruption to the technology server in OHS. Thanks to IntraLogic Solutions, this now replaces outdated security DVR technology used to support our safety and security systems. The cost of this new dedicated lockdown server was cheaper than replacing necessary parts of our existing infrastructure.

### **MEETINGS WITH HEAD CUSTODIANS**

- Mr. Schloth and I conducted individual check-ins with each of the head custodians across the District. We went through the updated CDC cleaning guidance, took inventory of our supplies and needs, reviewed year end closure items / Summer Cleaning protocols, and discussed reminders of social distancing and PPE. We are currently working on a schedule of expectations for a return to work for the crew members.
