## **ITEMS FOR INFORMATION**

Summer Recreation Program / Camp Invention / Secondary Summer School – Dr. DeRosa reported that approximately 779 campers attended the summer recreation program; 157 campers attended Camp Invention; 312 students attended secondary summer school and 60 students completed Driver's Education. Dr. DeRosa extended her appreciation to Maria Bavaro and Nancy Baxter on running a very successful summer recreation program.

Summer Curriculum / Summer Professional Development – Mrs. Provvido gave a sampling of the very busy and productive summer in the area of curriculum, instruction and research. A number of wonderful professional development courses took place off campus, including Columbia University Teachers College. Mrs. Provvido acknowledged our outstanding administrative team.

Construction Report – Mr. Van Cott reported that the Board was asked to look into a potential solar component with the air conditioning bond. A meeting was held with PSEG and our architects who advised us to upgrade all electrical systems in each of the buildings using budgetary and/or capital reserve funds. At this time, planning for electrical upgrades as opposed to increasing the bond for solar is our recommendation.

The Board was all in favor of the recommendation that we plan for lighting upgrades as opposed to increasing the bond for solar.

Opening of School – Dr. Harrington reported that Superintendent’s Conference Day will take place tomorrow, August 29, 2019, at 8:00 a.m. in the High School Auditorium. The program will be filled with professional development courses at all grade levels. Dr. Harrington thanked the B&G staff who made our buildings pristine and 100% ready. Students report to school on Tuesday, September 3<sup>rd</sup>.

Dr. Harrington reported that the District is very much on top of the religious exemption for immunization issue. We are working closely with families and are following the law. The law permits children to enter school for a total of 14 days without providing all vaccinations. By the 14<sup>th</sup> day after the start of school, the families must verify they are complying with the law.

Dr. Harrington reported about some data which was jeopardized in a few neighboring districts. Oceanside is keeping completely on top of this matter.

Dr. Harrington introduced Robert Byrne of Altaris Consulting Group. He was hired as a full time safety and security consultant to help keep our students and staff as safe as possible.

Policy Review/Update/First Reading – Mrs. McGrath-Mulhern presented the Board policies as listed and as attached to the records of this meeting.

Policy #1205.9	Agenda For Reorganization Meeting
Policy #3102.4	Homeless Children
Policy #3113	Resident and Non-Resident Students
Policy #3123	Parent and Family Engagement
Policy #4204	Procedures for Reporting Child Abuse in an Educational Setting
Policy #5118	Voter Registration For Students
Policy #6102.10	Uniform Grant Guidance For Purchasing Using Federal Awards
Policy #6106.6	Management of Assets Acquired Under a Federal Government Grant/Subgrant or Extra-Classroom Funds
Policy #6703.2	Meal Charge and Prohibition Against Meal Shaming Policy

These updates and additions are part of the Board of Education’s regular review of Board Policies. As per procedure, policy changes were announced and discussed; voting will take place at the September 18, 2019 Board Meeting.

Update on Bond Proposal – Dr. Harrington reported that after considering the feedback from the audience at the June 12, 2019 Board Meeting, she is recommending that we consider a bond vote for the installation of district wide air conditioning and the upgrading of electrical systems in all buildings. This recommendation will be placed on the September 18<sup>th</sup> Board Agenda for a November 12, 2019 bond vote.

Division into Election Districts – Dr. Harrington stated that in 1966 our District was divided into four election districts – Election Districts #5, 6 7 and 8. After a review of extensive data and conversations with the Board, it is recommended that School #6 be selected as the one election district. Parking is ample and handicapped accessible. We will have sufficient voting machines to keep the flow of voters moving. Dr. Harrington recommended that we place a resolution in the September 18<sup>th</sup> Board Agenda changing from four election districts to one. Dr. Harrington emphasized that we will notify the citizens of the community about this change at every Board Meeting. She also reminded the community that the general election is strictly the Board of Elections domain.

Board members posed some comments and questions. Responses were provided. All Board members were in favor of this change.
