

Oceanside Schools

Anchored Together
BY PURPOSE, PASSION, AND PEOPLE

November 14, 2020

Each year, parents/guardians are asked to update their contact information. This year, we will be asking parents to complete this online through the Parent Portal. Please be aware that this process might take up to 15 minutes. We are asking that you please update your information by Wednesday, November 25th.

Below please find a quick guide and video to help guide you through this process.
