## Important Information Regarding Class of 2022 Senior Yearbook Photos.

Senior Yearbook Portrait Photos will be taken in the Oceanside High School Library beginning Monday August 23<sup>rd</sup> through Friday August 27<sup>th</sup>. You will soon be receiving, by mail, important information from our photographer, Prestige Photos by Lifetouch regarding these dates. This information will contain your senior's unique student code which will allow you to login to the photographer's website and choose a specific day and time for your child's senior photos. There are a limited number of appointment slots available on each of the five photo days, so be sure to schedule your photos as soon as you receive the information, while many appointment times are still available. The photographer will provide a "Dress Drape" or "Tuxedo Top" for the portrait photos.

Please try to make every attempt to have your senior photographed during these August dates. That way, if they are unhappy with their senior photos, he/she would be able to take advantage of the retake dates in October at the high school. If your senior is not photographed in August, they may not have the opportunity for retakes if their only photos are taken in October. The Senior Portrait Section of the yearbook is submitted to the publisher for printing by December 1st. If you are unable to make an appointment to have your senior's photos taken in August, (because of vacation plans) you may be able to make an appointment to have your child's photos taken at the photographer's studio in Farmingdale. Their information is listed below.
